## Who Are We?

The Friends of the Sacramento Public Library, including branch Friends, is a volunteer community-based organization. Its dual mission is to advocate for the library and to provide funding for books and materials, programs and library activities primarily through selling discarded and donated books and materials. We believe libraries are important – they inform and educate, they encourage exploration and discussion, and they bring together diverse people and ideas.

## What Do We Do?

**For Kids...** We provide funds for *Dial-a-Story* and *Dial-a-Book*, and sponsor storytelling and other special programs.

**For Teens...** We sponsor a variety of fun and exciting programs and activities.

### For Adults...

We present lectures, exhibits, and cultural programs; offer book discussion groups; and sponsor various library events.

**For the Library...** We contribute approximately \$100,000 for books, materials, and programs each year. We provide funds for special branch projects.

### For Our Members...

We offer a subscription to a bi-monthly newsletter and a 10% discount on book purchases at our Book Den/warehouse.
